Bemerton Talks

Wed 19th Nov 2025

Doors open 7:00pm

Talk starts 7:30pm

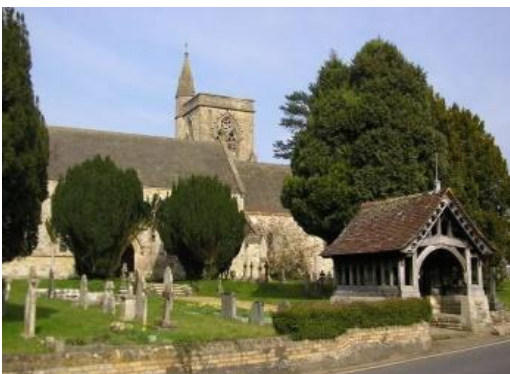

A Seedy Business

Inés López-Dóriga

Senior Environmental Archaeologist

Inés López-Dóriga is based in Salisbury, working as an archaeobotanist for Wessex Archaeology.

Inés specialises in the study of plant macroremains, such as seeds and fruits, from archaeological sites, using this information to reconstruct past diets and plant uses.

**St John's Place, Lower Road
Lower Bemerton, Salisbury, SP2 9NP**
